RE: MOUNTAIN GLEN WATER SERVICE, INC. - REQUEST FOR AN EXTENSION OF  
TIME TO COMPLY, DOCKET NO. W-01894A-00-0008, DECISION NO. 62905 AND  
DOCKET NO. W-03875A-00-0289, DECISION NO. 63312

In Decision No. 63312, the Commission granted a Certificate of Convenience and Necessity (CC&N) to Mountain Glen Water Service, Inc. (Mountain Glen) to provide water service to the area formerly certificated to the George M. Papa Water Company. Also, in that Decision, the Commission cancelled the CC&N of the George M. Papa Water Company (Papa). Further, Decision No. 63312 ordered Mountain Glen to comply fully with the remaining compliance items set forth in Decision No. 62905 for Papa. One of the compliance items required Mountain Glen to file for a rate review not later than 16 months from the effective date of the Commission's Decision. That compliance was due for the Papa November 18, 2002.

Mountain Glen, in its request for an extension of time indicates its intent to file a permanent rate application rather than file for a rate review. Mountain Glen is requesting a six-month extension of time to complete and file the rate application. Staff has no objections and recommends that Mountain Glen be granted a six-month extension of time to June 6, 2003.
